

**WYOMING (REGION 46) 700 MHz PUBLIC SAFETY
PLANNING COMMITTEE ANNOUNCES PLANNING MEETING**

The Region 46 (Wyoming) 700 MHz Public Safety Regional Planning Committee will hold its meeting in conjunction with the Annual Wyoming APCO Meeting on Monday, November 14, 2005 from 2:00 p.m. until 3:00p.m. at the Holiday Inn, 300 West F Street, Casper, Wyoming.

The purpose of this meeting is to continue developing a Regional plan to meet the needs of the 700 MHz spectrum users including public safety, public health, emergency management and utility services.

The Region 46 700 MHz Public Safety Planning Committee meeting is open to the public. All eligible public safety providers whose sole purpose or principal purpose is to protect the safety of life, health, or property in Region 46 would utilize these frequencies. It is essential that participants be representatives of all eligible public safety providers in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate and represent their agency's needs.

All interested parties wishing to participate in the planning for the use of new public safety spectrum in the 700 MHz band. For further information, please contact the Region 46 Chairman listed below.

Mark Joiner, Interim Chairman
